Home - College Agreement 2017 – 2018

This document outlines the principles between the college, its students and parents.

This partnership agreement is intended to reinforce the student's positive experience at Broadoak Mathematics and Computing College.

College Vision

“A vibrant, innovative learning environment, where all students can maximise their abilities, ambitions and academic potential.”

Values and Ethos

- We will work proactively with parents and carers throughout their time here to ensure that students leave with the skills to help them succeed as adults.
- We place students at the heart of the college so that they enjoy their time here and achieve across a wide range of areas.
- We encourage students to strive for their 'personal best' in everything they do.
- At Broadoak relationships matter and we foster values of courtesy, consideration and individual responsibility.
- We aim to develop curious, knowledgeable, creative and articulate lifelong learners.
- We actively encourage students to adopt healthy, active, and safe lifestyles.
- We believe that success is built upon self-esteem.
- We offer a high degree of challenge, together with a high level of support, so that all can achieve.

As a student I will:

- Strive to achieve “Personal Best” in all aspects of Broadoak life.
- Attend college regularly and on time.
- Be polite and respect the rights and well-being of others, even if not on the college premises.
- Wear the college uniform and be tidy in appearance at all times between leaving and returning to the family home.
- Bring all the equipment needed every day in a secure school bag.
- Do all classwork and homework set.
- Take good care of equipment and the building.
- Seek at all times to make a positive contribution to the life and development of Broadoak.

As a parent / carer I will:

- Work in partnership with the college to help my child achieve maximum potential and “Personal Best”.
- Let the college know about any matters that might affect my child’s work or behaviour.
- Support my child in completing homework.
- Make sure my child arrives at college on time.
- Make sure my child brings the right equipment to college.
- Report, on a daily basis, any absences from college, and provide a note on return.
- Make sure my child wears the college uniform to the highest standards, including all the way to school and all the way home again.
- Attend Parents’ Evenings.
- Support the respectful ethos of the College by setting a good example in my behaviour towards all members of the school community, in both verbal and written form.
- Support the implementation of college rules (e.g. mobile phone protocol, internet protocol etc.) and high standards of behaviour.
