

Ready to Learn: Managing Behaviour at Broadoak

We want all students to be **ready to learn** at all times. To enable this to happen, we have 4 simple expectations of students, which are:

Work hard and allow others to learn

Arrive to lessons on time
Remain on task
Focus on your learning
Persevere when work is challenging

Follow staff instructions

Listen to instructions, without interruption
Do as you are told, without arguing

Speak politely and with respect to everyone

Speak calmly and with an appropriate tone of voice, without shouting
Not use swear words or words that might offend (e.g. racist or homophobic words)

Respect the College and its environment

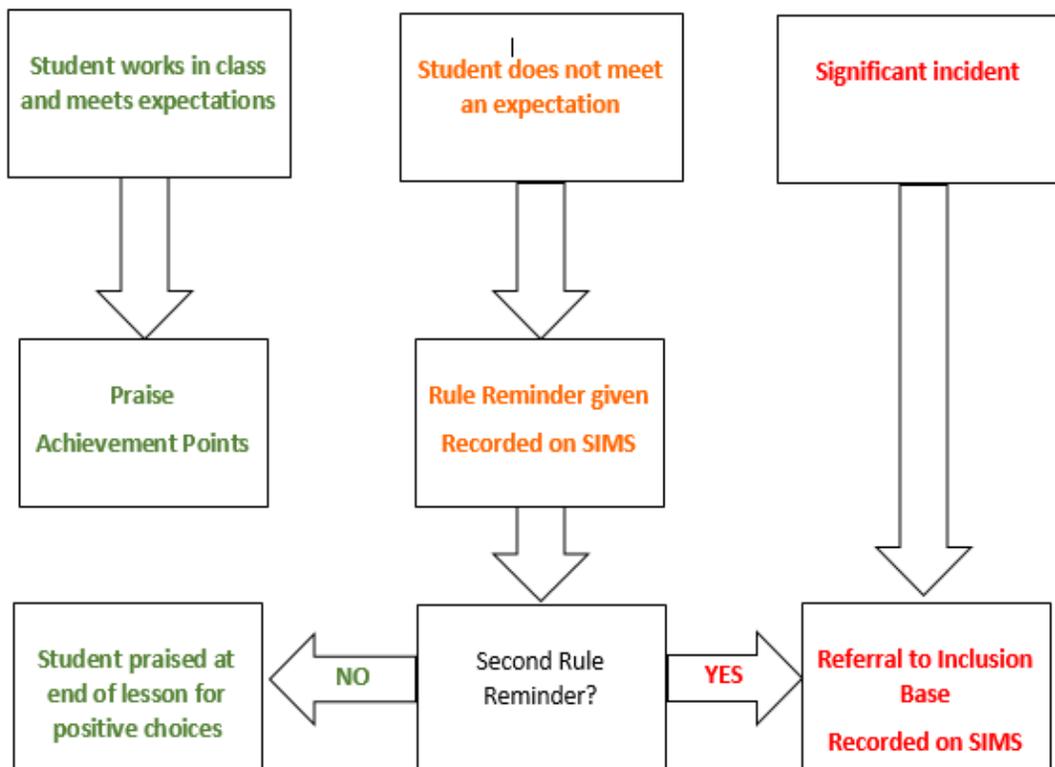

Follow the rules of the College*
Be a positive ambassador for the College community
Look after the College resources
Keep the College calm, safe and tidy

College Rules:

- Students are only allowed to eat in the designated dining areas or outside
- Everyone should walk on the right hand side of the corridors and stairs
- Ball games are allowed on the basketball court and field, no ball games in the quads or along the back of the quads
- No smoking is permitted on the College site or in College uniform on the way to or from College
- All drug (including tobacco/smoking related items), alcohol, dangerous items are banned from the College site
- Students are expected to adhere to the College Uniform Policy
- All mobile devices should only be used in accordance with the Mobile Phone Protocol
- Chewing gum is not allowed in College
- Fizzy drinks are not allowed in College

How does the policy work?

1. If a student does not meet one of the expectations, a rule reminder is given by a member of staff. This gives a child the opportunity to make the right choices about their behaviour.
2. If a student requires a second rule reminder, in the same lesson, the student is referred to the Inclusion Base.
3. Students complete 5 lessons in the Inclusion Base and an automatic 1 hour after school detention **on the same day**.
4. Texts will be sent to parents/carers to inform that their child is in the Inclusion Base and will be in detention until 4pm.
5. Some behaviours are considered 'significant incidents'; these will result in an automatic referral to the Inclusion Base.

Parents and carers can track rule reminders and referrals to the Inclusion Base via School Comms. If you have any questions about rule reminders or referrals, you can contact the class teacher, your child's tutor or Head of Year.

What is classed as a significant incident?

- Using racist, homophobic or derogatory language at or about an individual or group
- Swearing at, or in response to a member of staff
- Smoking on College grounds
- Assault, or threatened assault, of a member of staff
- Assault on a student/significant or repeated bullying
- Failure to follow a reasonable request, e.g. failure to hand over confiscated items or go to the Inclusion Base
- Dangerous behaviour that could cause harm to others e.g. fighting, throwing food or water

This is not an exhaustive list and other behaviours may be classed as 'significant' which are not stated here

Praise and positive feedback

When students make the right choices about their behaviour, this is acknowledged and celebrated:

- Positive feedback and praise in the lesson
- Achievement Points given
- Weekly tutor time celebration/feedback
- Postcards home
- Phone calls/positive contact home
- Emails to tutor/Head of Year
- Termly celebration assemblies
- Bronze/silver/gold certificates
- Awards Evening

Achievement Points can be seen by parents/carers on Schoolcomms as well.
